

## **SPECIAL INSTRUCTION FOR RUNNERS**

### **Here's the brief: NUMBER TAGS**

- 1. Please remember to attach your number bib onto your shirt front below your chest.**
- 2. The run will be using RFID timing chip that is attached to the back of your number bib**
- 3. The chip is weather proof and will work regardless of rain, heat, storms, humidity or other inclement conditions.**
- 4. Do not alter, modify, fold or crumple your number bib.**
- 5. The chip is always "ON" and does not require activation.**
- 6. You are not required to return your chip after the run.**
